Marketing professional with 3+ years of experience across luxury, fashion, and retail brands in the UAE. Experience spans campaign execution, brand activations, agency coordination, photoshoot production, and stakeholder management.

CORE EXPERIENCE

Campaign Execution

- Coordinated multi-channel marketing campaigns across retail, e-commerce, and digital channels.
- Managed timelines, deliverables, stakeholder coordination, vendor communication, and campaign tracking support.
- Ensured brand consistency across customer touchpoints.

Seasonal Marketing Campaigns

- Supported campaigns for Back-to-School, Mother's Day, Ramadan, Eid, Holiday promotions, and seasonal launches.
- Developed visual inspiration, coordinated assets, and monitored rollout across multiple touchpoints.

Agency & Creative Collaboration

- Created campaign concepts, storyboards, creative briefs, visual direction, and feedback coordination.
- Partnered with agencies to translate marketing objectives into animated digital screen content.

Retail Activations & Events

- Coordinated event logistics, vendor requirements, activation planning, campaign materials, and production timelines.
- Collaborated with retail and operations teams to support seamless customer-facing execution.

Photoshoot & Content Production

- Coordinated product and sample readiness, shoot schedules, photographers, stylists, and creative teams.
- Supported asset review, quality control, and timely campaign and e-commerce content delivery.

Marketplace & Brand Standards

- Developed marketplace imagery guidelines, asset management standards, and partner imagery requirements.
- Improved workflow efficiency through documentation and process development.

SELECTED CAMPAIGN CONCEPTS

Father's Day Campaign

Developed the campaign concept and storyboard for a Father's Day digital screen campaign celebrating the many roles fathers play. Created creative direction, messaging flow, and visual references, then collaborated with the agency on animation and digital content.

Made for Holidays

Created the campaign concept, narrative, visual references, and creative brief for "Made for Holidays," translating the idea into animated content for retail digital screens.
